

C.R.A.F.T.

Community Reinforcement and Family Training

Is a member of your family struggling with addiction to drugs or alcohol?

CRAFT is an evidenced-based, compassionate and effective approach

Family Members...

- learn strategies to take care of themselves separate from their loved ones addiction.
- learn how to help their loved one seek motivation for positive change.
- learn to help a loved one access effective addiction treatment resources when their loved one expresses interest.
