Lone Tree Pediatric Dentistry	10450 Park Meadows Drive #398 Lone Tree, CO 80124	303-793-0899	Monday - Thursday 8:30am to 5pm (closed 1pm to 2pm for lunch); Select Fridays 8:30am to 2pm	http://lonetreepediatricdentistry.com/	office@lonetreepediatricdentistry.com	At Lone Tree Pediatric Dentistry, our goal is to provide dental care in a trusting, understanding and mutually respectful environment. Education is a cornerstone of our practice. Through education, we expect our patients and families will join us in our efforts to prevent dental disease. Similarly, educating those we are fortunate enough to see in our practice to make informed decisions about dental care is equally important. Our conservative approach to dental treatment underscores the preventive mantra of the practice. Through these beliefs, we act definitively as the patient's advocate.
Sky Ridge Medical Center	10101 Ridgeway Parkway Lone Tree, CO 80124	720-225-1000	24/7	http://skyridgemedcenter.com/	Email on Site	Sky Ridge Medical Center is a full-service, destination hospital with a reputation for clinical excellence and world-class service. We offer compassionate care through our patient-centered programs, which include everything from our adult and pediatric ERs and comprehensive Cancer Center to a focus on pregnancy and childbirth in our Birth Place as well as specialized care in our Spine and Total Joint Center and Women's Hospital. We strive to go beyond your expectations in service to you and your family.

SET Family Medical Clinic	2864 S Circle Drive Suite 450 Colorado Springs, CO 80906	719-776-8850	Call for Hours	https://www.centura.org/locations/set-family-medical-clinic	setofcsinfo@centura.org	SET is a nonprofit medical clinic providing care to the uninsured, under-insured, homeless and Medicaid populations in our community. SET has also joined efforts to help educate, navigate and enroll people into the new health insurance exchange. In the rapidly changing health care and health insurance system, safety-net clinics, like SET, play a huge role in the future of health care. The charges to treat uninsured patients in our local emergency rooms are passed on to the community in the form of higher hospital costs and increased health insurance rates. On average, SET services save the community over \$4.5 million by treating uninsured and under-
